What is our P.E.A.S programme?

P.E.A.S (Parents Engaged Actively in School) aims to encourage parents to support their children's development by becoming active members of the school community. Through a range of workshops, parents can equip themselves with new skills and receive practical information about ways to support their children's development at home, come into school to work/play with their children, as well as socialise and develop relationships with other parents.

Please note: Parents/carers are welcome to attend as many sessions as they like.

All sessions are FREE!

Despite us using the term 'parents' on most occasions, we are referring to both parents, single parents, foster parents, grandparents, guardians/carers, etc – anyone with responsibility over the child is welcome to attend.

Each time a 'parent' attends any of the events listed in the calendar above, they will receive a raffle ticket to win a selection of prizes, including a £50 gift card to Tesco. The draw will be made during our end of year appraisal assembly. So if you have attended 10 sessions during the course of the year, you will receive 10 raffle tickets, etc. The more you attend, the better your chances of winning. We appreciate that many parents may be unable to attend some sessions due to work and other commitments, but we will do our best to share the information from the sessions with parents via letters, texts and links on our website.

Continuous Provision

ALN Surgery	Parents can make appointments with Miss Rees to discuss your child's progress
Attainment & Progress	A progress report will be sent home to parents at the end of terms 1, 3 and 5.
Cornerstones Showcase	Parents will be invited in at the end of each term to see what their children have been learning.
Class assemblies	Parents will be invited in when their children are performing in class assemblies.

Further information about the workshops will be sent via text and website links prior to the events. Parents will need to book for workshops in advance via the school office or the link via text due to limited capacity for some of the rooms we'll be using. Thank you for your continued support!

Mr Cooper (Acting Headteacher)
