

Do you think we should have lunchtime clubs?

Why do you think this and which clubs would you like?

DANIEL COOPER JAN 31, 2019 07:49AM

Yes - Eloise G (School Council)

I think Lunchtime Clubs would not only improve our motivation, but it would help solve our behavioural problems on the yard, particularly at Lunchtime where it is at it's worst. Those clubs could be things like an Arts and Crafts designing club or a board game club. It will also solve the issue for some people like me where we are afraid of the balls that are on our yard hitting us and disrupting what we are doing.

Yes- Connor (computer consultant)

I think that this is a great idea because it will help prevent arguments and fights on the yard, I think that we should have a drawing/painting and a top trumps club lunch time.

yes-Jai(super ambassador)

I think we should have lunchtime clubs but only a few(3 or so) as people enjoy on the yard, but it is also important to develop new skills. I think we should have a reading club, ipad club and a hang out club with music, and games.
this would be an important club for the children to communicate , collabirate and have fun.

Yes-Caitlin.R(Criw cymraeg computer constaulant)

I think we should because then it will stop the problems and give us options of what we want to do, there are to many people on the yard and there isn't much choice ,but with clubs people can do more and the yard will be quieter. I think we should have an iPad club and club where we can just relax and chat.

Yes- Kwaku (Bronze Ambassador)

I think having lunchtime clubs will help everyone including the teachers because there will be less people on the yard. I think we should have a sports club (Football, rugby, hockey,

tennis, rounders and dodgeball) I also think we should have a games club, music club and an art club.

Yes-Caitlin.J (Rights Nights)

I would think that the idea of different clubs at break would help,Because It would mean less students on the yard. Witch could possibly cause less arguments,issues & fights. Plus I think it will be good for those who aren't really interested in running or sports they can entertain there selves in a clubs,and there will be more equipment for other children,so its a win, win!

Yes-Charlotte(school counsel)

I think we should have lunchtime clubs because when people get bored on the yard and then they go inside when they shouldn't go inside course they mess around inside and make a lot of mess.I think we should have sumdog,sports club and Top Trumps.

Yes-Owen(criw cymraeg)

We should have football club
I think that we should do clubs because so people can learn different skills.

Yes- Isobel D (School council)

Yes because there would be less pupils on the school yard and that would mean less problems and less arguments between each other and way less fights.I think that we should have a sport club ,craft and arts , climbing and gymnastics club.

Yes-Ella w(eco council)

Because we can learn new skills to help you learn how to do new things and enjoy our life's and have fun.

Yes-Logan (Super Ambassador)

I think there should be lunchtime clubs because there are to much children on the yard at once so if we separate some children more children will have space.And whenever I go on the yard I see people tucked up in the corner but they could do something fun with other people and know people better.

Yes - Chloe (Computer Consultant)

I think it would be a good idea because then no one would be bored, get told off,and you get lots of help from the teachers. And also we get options on what we want like Sumdog, Reading and games to play and if we don't have lunchtime club you will cause a arguments, Fights and some

issues and that's why we need lunchtime clubs to not cause any arguments.

yes-angharad criw cymraeg eco council

yes/Holly (criw cymraeg)

i think this will be a good idea

because there is always an argument on the yard and i think that i like the music club art club sports club and i pad club and sayance club i think this would be a mix of every thing because different people like different things.

Yes - Hollie (Bronze Ambassador)

I think this will be a good idea because then there's always a teacher to see if anyone's not behaving. I think that a reading club, an iPad club and an art club because they are all fun.

Yes Rhys.w (Bronze ambassador)

I think we should have a sports club because when you're on the yard there is not much space to play but if we do a sports club we can lower down the people that play football. we could do (dodgeball, football, rugby, tennis, hockey, rounders etc) we could do an art club too.
