8th February 2019

Dear Parent/Carer,

The NSPCC's *Speak out. Stay safe* Programme visited our school on the 31st January to present an assembly to Years 1-6. This was an invaluable opportunity for the children to understand the importance of 'Speaking out' and what to do if they have any concerns. The NSPCC have kindly agreed to return on Monday 11th February to deliver workshops to Year 5 and 6. Please note that this will be delivered in a sensitive way with the help from Buddy, the mascot.

Following discussions with the School Council and the NSPCC I am delighted to say that our school has chosen to support the valuable work of the NSPCC by taking part in a 'Danceathon' and I would really value your support and encouragement with this event. The Danceathon will take place on **Thursday 14th February between 9-12**. This event proves to be a fun way for the children to raise money for the NSPCC, as well as allow children to become aware of the crucial work that the NSPCC do. As we also have our Valentines Disco on this day, **children can come to school in their disco/dancing clothes** to save having to change later on.

The NSPCC will run a parent workshop between **9-10am** on the morning of the 14th February. Please come along to hear all about the fantastic work they do and how we can best keep our children safe online.

February 11th - Year 5 and 6 workshop delivered by the NSPCC

February 14th at 9am- Parent workshops delivered by the NSPCC (Hafan)

February 14th (throughout the morning)- 'Danceathon' (from nursery to year 6 which will involve separate time slots in the hall) – children can wear own clothes.

Children will come home with a sponsorship form and any funds raised will be greatly appreciated by the NSPCC. Please return the money in the sponsorship form envelope to the school by the 14th February. The NSPCC will be coming along on the day and are very excited to be part of our fundraising event.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website nspcc.org.uk/parents

Many thanks in advance for your continued support,

Elin Davies

Health & Wellbeing Coordinator and Year 3 teacher
