1<sup>st</sup> July 2019

Dear Parents/Carers,

Your children have been participating this year in the Fiver Challenge, a national competition for young people aged from 5 – 11 years. This Challenge is free and run by Young Enterprise ([www.fiverchallenge.org.uk](http://www.fiverchallenge.org.uk)), the UK's leading enterprise and financial education charity, bringing learning to life and encouraging future aspirations in young people.

Pupils from Year 1-6 have been working in small groups for over a month to create a business idea. Each group has received £5 to set up a mini business and create a product or service they can then sell or deliver at a profit. Pupils decide how to spend or donate any profit they make.

In order for the children to make a profit, they need to be able to sell their products and services. That's where you come in as their hopeful customers ☺. **We would like to invite parents in to school to purchase the goods and services created and offered by your children.** Some examples of the children's businesses include a nail and beauty salon, a healthy eating stall, a custom design t-shirt stall, etc. The children will set up their stalls outside their classrooms on the days below from 2.30pm until the end of the school day. Please come along to support your children to become '**enterprising and creative contributors**' to society and hopefully inspire them to be the next generation of business leaders and entrepreneurs. Please note, customers/parents/carers are able to purchase from as many stalls as they like. Costs will be available at the stalls, but all will be very reasonably priced.

**8<sup>th</sup> July** - **Years 1, 2, 5 & 6**  
**11<sup>th</sup> July** - **Years 3 & 4**

This has been such a positive project for our children as it's taught them to be enterprising, creative, work in teams, share roles, understand the value of money, etc. Any support and encouragement you can give your child during this activity would really be appreciated and help culminate all their hard work with hopefully a rewarding profit.

Kind regards

Daniel Cooper  
Acting Headteacher
