Dear Parent/Carer

Hope you are all keeping well under these unprecedented times.

Please see message from Mrs Lewis, Head of Key Stage 3 to support your Childs transition.

### **A message to Year 6 Parents/Carers**

This is a challenging and unusual time for you all I'm sure. Due to school closures the transition process may look a little different to usual this year. We want to let you know that we are still thinking about you and transition in September, and will be in contact after half term.

We will have some forms for completion and we are in the process of compiling a video which will help you as Parents/Carers to find out information about the school.

We hope you have a lovely half term break and look forward to working closely with you in the next few weeks.

Mrs Angharad Lewis  
Head of Key Stage 3
