Richmond Park School,
Carmarthen

25th June 2020

Dear Parents / Carers & Staff,

We have been busy over the last 2 weeks preparing for children to return to school. We are looking forward to seeing them and have activities ready to engage them. School will look very different to the children with lots of signage and one-way systems but hopefully being met by some familiar staff will ease this.

With schools opening, we need to have a cleaner on the premises for continued cleaning of door handles, surfaces and switches and of course toilets. Unfortunately cleaning services are provided by the authority and we are still waiting to hear that a cleaner has been appointed for Richmond Park.

Until a cleaner is in place, we CAN NOT open.

Can I ask all parents to have a 'back-up plan' in place for child care next week, as no cleaner means no opening.

The Chair of Governors is aware of this situation and is monitoring it closely. I know the Local Authority is working hard on this situation and this situation is the same for many schools. Appointments of cleaners, training and DBS checks are being done swiftly and the situation is changing daily.

I assure you I will inform you of any changes as soon as I am aware of them.

Kind regards,

Helen Luff
