Richmond Park School,
Carmarthen

16th October 2020

Dear Parents/Carers,

P.E.A.S Online Workshops 2020/21:

It is our pleasure to share our P.E.A.S calendar for 2020-21 alongside this letter.

For those of you who may be unaware, the aim of our **P.E.A.S (Parents Engaged Actively in School)** initiative is to support parents/carers and families by providing you with the skills and tools to effectively support and develop your children's progress outside of the school environment, as well as improve parental engagement across the school.

Due to the current COVID-19 safety restrictions, we are unfortunately unable to invite parents physically into school at the moment. However, we've created these online workshops for parents to continue receiving our support from the comfort of your own homes. The content of the workshops was chosen based on the feedback we received from parents/carers in the recent P.E.A.S survey.

These workshops will equip parents with information, practical tips and resources to support your children at home, which will be particularly useful if we find ourselves in a position where we need to teach remotely again. The workshops are completely FREE and will be delivered by teachers from across the school.

Specific details about each workshop will be shared via an Eventbrite text link and on our social media channels, including ClassDojo, around a week prior to each workshop. To register for a workshop, please either book your ticket on Eventbrite or just call the school office to register your interest. This must be done no less than an hour before the session is due to begin in order for us to have time to invite you to the workshop, but please book as early as possible. Please note that you will need an email address for us to invite you to the session. The workshops will be delivered through Microsoft Teams (which is similar to Zoom) and the 'join' link will appear 10 minutes before the start of the session. You can download Microsoft Teams for free as an app, or access it directly online. To download Teams and for further information about how to use it, please visit <http://bit.ly/TeamsRP>

We firmly believe that the parents and the school are like *'two peas in a pod'*, as we both want to do our very best to support your children. Therefore, please feel free to access this support if you need it. Some sessions may be recorded and available to watch at your convenience if you're unable to attend a live session due to other commitments. All sessions are designed to be fun, informative and supportive. No judgements will ever be passed, and we will always go above and beyond to support you and your children.

You can find more information about our P.E.A.S initiative, as well as further support materials and resources, on our updated P.E.A.S website page - <http://www.richmondpark.amdro.org.uk/home/parents-peas/>

Thank you for your continued support and please feel free to contact us if you'd like any further information!

Kind regards,

Mr D Cooper
(Deputy Headteacher)
