Richmond Park School,
Carmarthen

November 27th 2020

Dear Parents/Carers,

We have heard of a wonderful idea which many schools are doing and is something that we would like to do at Richmond Park School too.

As a result of the current COVID restrictions, many children are missing out on celebrating their birthday with family and friends as they usually would, with parties and gatherings that are currently not allowed during this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and school, and their emotional wellbeing is something that is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthdays in school with their friends in a safe and controlled way! We have decided that we will hold a birthday party within each class on the last Friday afternoon of each month to celebrate all children who have had their birthdays that month.

All children will have their packed lunch or school meal as normal. During the afternoon of the last Friday of the month, school will provide children with snacks/treats/drinks and a party atmosphere (party music, etc). We will maintain our current safety arrangements, whilst trying to provide as much of an enjoyable experience for the children as possible. All of the costs will be covered by the school.

Children must still come to school in their normal school uniform.

If your child has already had their birthday during September and October, they will be included in today's celebrations with November children.

We look forward to giving every child the opportunity to celebrate with their friends and mark their special day, even in these unusual circumstances.

If you would like any further information about this, please do not hesitate to ask. Thank you for your continued support!

Kind regards

Mr D Cooper
Deputy Headteacher
