INVESTORS IN PEOPLE

Dear Parent,

During the course of the Academic Year 2012-2013, pupils will have the opportunity of participating in various Educational, Cultural and Athletic Events, during school hours, after school and at week-ends.

In order that pupils may participate they are required to have parental consent.

To reduce administrative costs and the inconvenience to parents of signing countless consent forms, I would be grateful if you would sign the 'Blanket Consent Form' below and return it at your earliest convenience.

N.B. Only pupils who have parental consent will be allowed to participate.

Yours sincerely,

S. Mason-Evans
Headteacher
