

What is our P.E.A.S programme?

P.E.A.S (Parents Engaged Actively in School) encourages parents to support their children's development by becoming active members of the school community. Through various initiatives, parents can equip themselves with new skills, come into school to work/play with their children before, during and after school, as well as socialise and develop relationships with other parents.

What are 'Family Fridays'?

Parents are invited into school to have fun and develop new skills both with and without their child/children, as well as work, learn and play with other parents. The sessions are either led by teachers or outside agencies to ensure you receive expert advice and support in a range of areas. Even though we try our best to keep to the calendar, dates may be subject to change. Additional events may also be added to the calendar, but we will inform you of any changes via our newsletters, website and social media channels.

Other Information:

Parents/carers are welcome to attend as many sessions as they like.

All sessions are FREE (unless noted otherwise)!

Despite us using the term 'parents' on most occasions, we are referring to both parents, single parents, foster parents, grandparents, guardians/carers, etc – anyone with responsibility over the child is welcome to attend.

Each time a 'parent' attends any of the events listed in the calendar above, they will receive a 50p discount on school uniform. Therefore, the more you attend, the more you save!

We are always looking for new members to join our **P.T.A.**, so if you are interested, please let us know.

Richmond Park School has an open door policy where we are happy to support you and your child however we can. If you would like any further information about anything, please come to see Miss Davies, Mr Cooper or your child's class teacher.
