Summer term 2017 - Tymor yr haf

Glass teacher message

Welcome to our newsletter, 'Deio and Taran's News'. Our newsletter will be sent home to parents during the first week of each term to keep you fully informed about our new topic and any events in our Nursery and Reception class during that term, as well as some tips for you to help support your children with their learning at home.

If you'd like any other information which hasn't been provided on this newsletter, please feel free to check our class page on the website or call the school office to make an appointment to discuss the issue further.

This term's topic:

Literacy and Numeracy

As part of the imaginative learning topic, we will be sharing stories, lullabies and nursery rhymes that focus on nighttime. We will be developing oracy further by asking children to talk about bedtime routines, favourite bedtime stories etc. We might even try to write our own bedtime stories!

In numeracy, we will talk about times of day and night, e.g. what time do you go to bed / get up etc. This will lend itself to ordering and sequencing events and to learn how to tell the time using o'clock.

P.E.

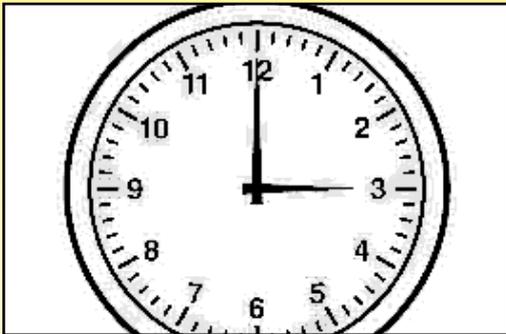

Children have 1 P.E session each week.

As P.E. lessons can be on different days each week, we kindly ask parents to send your children's P.E kit in on Monday and keep it in school until the Friday.

P.E kits consist of a blue t-shirt, black shorts and trainers. Kits can be purchased from Mrs Morris at the school office.

Our attendance target is 95%. Remember, children are at risk of underachieving if they do not attend school regularly.

School starts at 9am. Please be here before this time.

Class doors and gates open at 8.45am and are locked at 9am.

They re-open at 11.45am for part-time children to go home and at 1pm for the afternoon children.

Please collect your child at the following times:

2.55pm Deio (Nursery)

3 pm Taran (Reception)
